EXPERIENCE

Uka Tarsadia University, Bardoli **June 2025 - August 2026**
Full Stack Developer

- Developed and maintained modules of the university-wide E-Governance (eGov) system using ASP.NET MVC and SQL Server, covering staff, institute, course, and syllabus management.
- Developed and managed frontend and backend modules for student and administration management.
- Built responsive user interfaces using HTML, CSS, Bootstrap, and JavaScript.
- Integrated database operations and improved data management workflows.
- Collaborated with team members to enhance application performance and usability.

Encryptix, New Delhi **May 2024 - June 2024**
Web Development Intern (Virtual)

- Learned MERN Stack technologies including MongoDB, Express.js, ReactJS, and Node.js.
- Developed scalable frontend and backend web applications.
- Improved understanding of full-stack development concepts.

TeachReale, Valsad **Aug 2023 - Oct 2023**
Web Designing Intern

- Developed responsive web interfaces using ReactJS and JavaScript.
- Worked on frontend optimization and UI enhancement.
- Gained hands-on experience in MERN Stack development.

EDUCATION

Uka Tarsadia University (AMTICS)

Bachelor of Technology(CSE)
2021 - 2025 | CGPA : 8.54

Happy Public Senior Secondary School

HSC | SSC
2019 - 2021 | HSC : 94% | SSC : 80%

CERTIFICATION

- Basics of Full Stack Development By Simplilearn
- ReactJS For Beginners By Simplilearn

PROJECTS

eGov & Online Exam System
ASP.NET MVC | SQL Server

Team-built university management platform covering exams, results, hall tickets, and student portal. Owned the Online Exam module end to end.

Digital Wealth (Freelance)
ASP.NET MVC | SQL Server

Unlisted IPO platform with user website and admin panel. Users can register, complete KYC, view listings, purchase shares, and pay. Admin manages shares, hot deals, users, wallet transfers, partners and commissions, and downloads reports with a daily analytics dashboard.

Entry Management System (EMS)
ASP.NET MVC | SQL Server

Visitor management with QR code scanning and purpose-based entry forms. Admin tracks all entries.

Certificate Generation System
ASP.NET MVC | SQL Server

Discover hundreds of job listings, and comprehensive company profiles.
